

This week the children will be continuing to work on their times tables to coincide with the new format of the year 4 multiplication on-line test which will be initiated in 2020.

In numeracy, we will be learning long multiplication/division via various methods. Fraction equivalents and multiples of 10, 100 and 1000.

In literacy, we will be focusing on past present tenses and weak areas highlighted during last week's assessments.
