

Great Orton Primary School – Home Learning

A guide for pupils and parents that you can choose to follow. We aim to support all pupils to access and enjoy home learning during the period of school closure.

Please remember that the health and well-being of our pupils and families is our top priority, so simply do what you can. Activities and web links are available at www.greatorton.cumbria.sch.uk

Week Beginning: Monday 6th April 2020

Dear All,

I hope that you all have a fantastic Easter holiday and keep safe.

Best wishes,

Miss Painter (class3@greatorton.cumbria.sch.uk)

Reading	<p>Please continue to read on a daily basis, you should aim to read for 15-30 minutes. This could be a range of texts and something that you enjoy.</p> <ul style="list-style-type: none">● Everyone has access to Oxford Owl where you can find new and different books to read or listen to.● Audible has released a range of FREE audiobooks for children. No login required just follow this link: https://stories.audible.com/discovery Some great titles for Class 3 include: Harry Potter and the Philosopher's Stone, Kid Normal, Alice's Adventures in Wonderland, Cirque du Freak and many more.● DK Find Out is a great online encyclopedia for those of you that enjoy non-fiction.● Use Authorfy to find a new reading challenge: https://authorfy.com/ it's free to sign up to!

Find out why we eat chocolate eggs over easter?</p>
<p>Topic/Science</p>	<p>Science: What is Classification: https://www.bbc.co.uk/bitesize/topics/zn22pv4/articles/z3nbcwx</p> <p>In the animal kingdom we classify living things according to their KINGDOM, PHYLUM, CLASS, ORDER, FAMILY, GENUS and SPECIES.</p>

Scientists agree that there are **5 Kingdoms** that living things come under: **Animals, Plants, Protist (one-cell), Fungi and Bacteria.**

What do the other classifications (Phylum, Class, Family....) mean?

Choose 3 different living things and find out they're classified
For example:

Asian Elephant

Kingdom: Animalia

Phylum: Chordata

Class: Mammalia (This tells you that elephants are mammals)

Order: Proboscidea

Family: Elephantidae

Genus: Elphas

Species: E. maximus (The species is the animals name in latin, you will often see this when you visit Zoos, Aquariums and even Garden Centres)

EXTENSION: Now that spring is on the way - what animals can you spot in your garden on whilst on a walk? Can you spot any of these butterflies?

History

After Easter our topic in History will be 'Victorian Inventions'. What can you find out about what life was like in Carlisle during the Victorian times.

- What jobs did people have?
- Where did people live/ what were the houses like?
- What did people wear?
- What was school like?

Other great art activities:

Design a mandala using things from your garden.

Design an easter egg/ paint a hard boiled egg

Paint a rock that can brighten up your day like the ones below

Computing

Use Algodoo to create your own programme/robot/world. It uses online physics to bring your creations to life. You can download it to a laptop desktop for free or you can purchase the app for a tablet.

<http://www.algodoo.com/>

Languages

Practice your french using Duolingo! <https://www.duolingo.com/> or you could learn a different language like Spanish or Italian!

If you would like to take a photo of any pieces of work or learning that you are particularly proud of, please send it to your year group teacher using the email address below:

Miss Painter: class3@greatorton.cumbria.sch.uk

Or you could choose to present your work from today to someone at home – what have you enjoyed the most?

Stay safe, take care and look after each other!
