

Dear All,

I hope that you are happy, safe and well. I hope that you are enjoying family time, working and learning together. I have been joining in with PE with Joe and taking Rufus on some lovely walks. I even baked some brownies.

Attached are some ideas of new activities for the upcoming week. Please do not feel pressured to complete everything. I have tried to include a variety of ideas that can be accessed when is suitable for you. I have also added some more links to the home learning page.

Please keep an eye on Facebook and the website as these are updated when we find resources or activities, we feel that you would enjoy.

Please get in touch if there is anything I can support you with via this email class1@greatorton.cumbria.sch.uk I am really looking forward to seeing what you have been getting up to.

Best wishes,

Miss Shannon
