

Great Orton Primary School – Home Learning

A guide for pupils and parents that you can choose to follow. We aim to support all pupils to access and enjoy home learning during the period of school closure. Please remember that the health and well-being of our pupils and families is our top priority, so simply do what you can. Stay safe, take care and look after each other!

Activities and web links are available at www.greatorton.cumbria.sch.uk (Classes > Home Learning) Home Learning activities & resources will be added/updated each Monday.

Dear Class One,

I hope you have all had a wonderful Easter with your families and have been able to enjoy some of the lovely weather we have had by getting out in your gardens. I have been enjoying getting out on my bike for my daily exercise and eating my Easter eggs.

I have attached some activities for you to have a go at this week. Please email me at: class1@greatorton.cumbria.sch.uk or upload what you have been doing to Tapestry. I would love to see what you have been up to, how you have been getting on, or if there is anything I can support you with.

Please would you be able to provide some feedback on how the children are getting on with the activities. Is there anything that they are really enjoying or anything that is not working? If you could let us know and then we can try to adjust accordingly.

I hope that you are all well and staying safe.

Thank you

Miss Shannon

Reading	Please read for at least 20 minutes every day. Reading material can include: recipes, comics, home and/or school reading books etc. The school also has access to Oxford Owl which has online books (login details have sent home). https://home.oxfordowl.co.uk/
Phonics / Spelling	<p>Practise reading and spelling tricky words: Year One: one, once, ask, friend, school, put, push, pull, full, house Year Two: only, both, old, steak, pretty, after, fast, last, past, father</p> <p>Phonics play is a great website that is allowing free access during the Corona virus outbreak. There are many activities and resources available here: https://new.phonicsplay.co.uk/</p> <p>Log in: march 20 Password: home</p> <p>The link below shows you how to pronounce the sounds as taught in school. I'd highly recommend this video clip to ALL parents. https://www.oxfordowl.co.uk/for-home/reading-owl/find-a-book/read-write-inc-phonics--1/phonics-pure-sounds-video</p> <p>If your child is learning to sound blend, help them to: Join in Set 1 Speed Sounds live lessons by Ruth Miskin Training, Monday to Friday, at 9.30am or 12.30pm (GMT). You can sign up to either via this Facebook page or YouTube channel. The films are each available for 24 hours after the live lesson. Read the Sound Blending eBooks in order. Read the Ditty sheets in order. These have notes for parents. When your child can sound blend confidently, they can also practise reading the words on the Speedy Green Word slideshow for Red Ditty level. You could watch the Sound Blending video to help you support your child with sound blending.</p>
English Communication and Language	<p>Year One and Two: Hamilton Trust Home Learning Packs https://www.hamilton-trust.org.uk/blog/learning-home-packs/ Follow the link and find the English home learning packs for your Year group and click on week one to find a week's worth of activities.</p> <p>Reception: Mr Mc is doing a live daily phonics session at 11am https://www.youtube.com/channel/UCTcZnvuTeovIznioLRo0GOA</p>
Maths	<p>Early Years: We have been watching Numberblocks in school to help with our understanding of number. We have seen series one and two within school. If you would like to re-watch these (to secure understanding, see if you're children can explain what is happening using mathematical language) and then continue with series 3 and 4. Children in Reception focus on numbers up to 20. https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks</p> <p>Year Two: Use www.timetables.com to practice your tables.</p> <p>White Rose Maths are providing daily home learning videos and activities for each year group. Don't worry if you can't print the</p>

	<p>worksheet, you could just open it online and answer the questions on paper or simply take part in the video learning.</p> <p>This will be reduced over the next two weeks as it is the Easter Holidays for the majority of the country but there will still be daily activities to complete.</p> <p>https://whiterosemaths.com/homelearning</p> <p>EYFS: Use the link below to find daily Maths activities: https://whiterosemaths.com/homelearning/early-years/</p> <p>Year One: Use the link below to find daily Maths activities: https://whiterosemaths.com/homelearning/year-1/</p> <p>Year Two: Use the link below to find daily Maths activities: https://whiterosemaths.com/homelearning/year-2/</p>
STEM (Science, Technology, Engineering and Maths)	<p>Join Dr Chips daily at 10am for a new idea to try. https://drchips.weebly.com/?fbclid=IwAR0w-wyFJ0xCIsaPN9SSBmrqngWndezgEnMBZvoxD_kKb_6Tp9JIWjdx08</p> <p>For lots of great experiments you can do at home: https://www.youtube.com/c/thedadlab</p> <p>To practise coding and programming try downloading Scratch Jr on your device: https://www.scratchjr.org/</p> <p>Another free and good app for coding is Daisy the Dinosaur.</p>
PE / physical development	<p>Every day (Mon-Fri) at 9am Joe Wicks is doing a 30 minute 'PE lesson' whilst schools are closed. https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</p> <p>At 9:30am there is a live Dough Disco https://www.youtube.com/channel/UCj0shfH3pzhrf3dOrSj_pRw (If you do not have playdough at home, try make some together. This is the recipe I use for the playdough at school: https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/ (it lasts longer if you add more glycerine and keep it in an airtight box)</p> <p>Class One also enjoy taking part in BBC Super Movers which are short videos that allow children to practise different aspects of English and Maths whilst still being active: https://www.bbc.co.uk/teach/supermovers/ks1-collection/zbr4scw</p> <p>They also enjoy Go Noodle dances which can be accessed for free using the for families option: https://family.gonoodle.com/</p>
Art	<p>I have been inspired by all of the flowers and trees that have started to blossom this week. Could you make a piece of art using natural objects? Or could you create a picture of something you can see from your window?</p> <p>Can you take part in recreating a work of art using household items? https://twitter.com/GettyMuseum/status/1242845952974544896?s=20 Share your creations with us.</p>

<p>History</p>	<p>As part of keeping in touch with your relatives could you find out about what it was like for the oldest member of your family when they went to school?</p> <p>Can you write a list of questions you would like to find out about such as: What was your primary school called? Who were your friends at school? What was the uniform like? What was your favourite subject? Why did you enjoy it?</p> <p>Call up, video call, email or write a letter with your questions to your relative and see what you can find out.</p> <p>Extra challenge: Can you make a timeline of when your grandparents were at school, when your parents were at school and now you are at school? You could use photos to show this.</p>
<p>SHARE</p>	<p>If you would like to take a photo of any pieces of work that you are particularly proud of, please send it to your year group teachers using the email address below:</p> <p>Miss Shannon: class1@greatorton.cumbria.sch.uk</p> <p>Alternatively, you can upload photos, videos and observations to your child's Tapestry account.</p> <p>We want to see all the amazing things you are doing, any new skills you are learning, anything you have been practising.</p>
