Great Orton Primary School – Home Learning

A guide for pupils and parents that you can choose to follow.

We aim to support all pupils to access and enjoy home learning during the period of school closure.

Please remember that the health and well-being of our pupils and families is our top priority, so simply do what you can.

Stay safe, take care and look after each other!

Activities and web links are available at www.greatorton.cumbria.sch.uk (Classes > Home Learning)

Home Learning activities & resources will be added/updated each Monday.

Dear All,

How are you all doing? I hope that you're all coping at this difficult time. I was so pleased to receive some photographs of some of the activities you've been doing. I'm hoping to put them on our website this week. Please keep them coming. It was lovely to see the children. I often wonder how you're getting on.

I would really appreciate some feedback from you regarding the weekly time tables. Are you feeling overwhelmed? Are there any activities/topics that you'd like to see more of? The last thing I want to do is to put any pressure on anyone. I only want to help/support/reassure you if I can. I have good and bad days with my own children so I just do what I can with them. We've been building bug hotels and spotting butterflies in our garden. We've done some baking (with mixed results!!) and had a go with some collage work. Please take care of yourselves and get in touch with me using the email address below.

Thank you.

Best wishes,

Mrs. Thomson

SUBJECT	ACTIVITIES
READING	Please continue to read for **at least** 20 minutes every day. Reading material can include: recipes, comics, home and/or school reading books etc. The school also has access to Oxford Owl which has online books (login details have been sent home). https://www.cumbria.gov.uk/libraries/online_resources/ebooks_audiobooks.asp The above link takes you to the library service where they are offering free audio books. ## Cumbria Libraries free eBooks and eAudiobooks. Borrow, download and enjoy here. You can download and borrow eBooks and eAudiobooks by using the website, or, you can download and use the BorrowBox app which has a dedicated eAudiobook player and eBook reader, allowing you to search, browse, borrow, read and play both formats. Log in, **browse the BorrowBox library** of the world's best authors and titles, and start borrowing today! NEW direct links to the Children's Borrowbox **eBook** or **eAudiobook** collection (Note: when you log in you will be asked to enter the first 3 letters of your library. Please type CUM for Cumbria.) **Apps** • **Download the free BorrowBox app for your device from the App Store** • **Download the free BorrowBox app for your device from Google Play** • **Download the free BorrowBox app for your device from Amazon Fire** **Support** If you are having problems, read the **Borrowbox help page** or contact **support@bolindadigital.com** A BorrowBox account may take up to two days to be activated.
SPELLING	Don't forget that you can access Nessy at home to support you in learning your spellings. Everyone who has an account was given login details before we finished school. Please practise these spellings: Focus: Prefixes: inter– means 'between' or 'among' super– means 'above'. interact, intercity, international and interrelated. supermarket, superman and superstar. Can you put each word into a sentence?

| ENGLISH | Hamilton Trust is providing a week's worth of activities based on different genres. Scroll down to Year 3, Week 3 using the link below to access the resources: https://www.hamilton-trust.org.uk/blog/learning-home-packs/

Talk 4 Writing have produced free schemes of home writing opportunities. They are arranged in year groups but just choose what is right for you/your child. This is the link for Year 3: https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y3-Unit.pdf

Pie Corbett, creator of Talk 4 Writing, is also presenting a daily literacy based radio show with: games, creative writing, poetry and an author of the week. You can also catch up on any previous shows: https://radioblogging.net/

The BBC is also providing daily lessons: https://www.bbc.co.uk/bitesize/dailylessons |
|---|---|
| MATHS | Use www.timestables.co.uk to practice your tables.

White Rose Maths are providing daily home learning videos and activities for each year group. Don't worry if you can't print the worksheet, you could just open it online and answer the questions on paper or simply take part in the video learning. https://whiterosemaths.com/homelearning/year-3/

https://www.thenational.academy/online-classroom/year-3#schedule
With support from the DfE and 40+ teachers from across the country, Oak National Academy have produced a weekly timetable to support in Maths, English and Foundation Subjects: (If you find the work in Year 3 difficult, you can click onto a different year group). |
| TOPIC/ SCIENCE | **Science**:
As we're spending a lot of time outdoors, it would be a brilliant opportunity to find out more about our environment. Can you tell the difference between an Oak and a Sycamore? Use the link below to access resources linked to tree identification. There is an app that you can download. How many different types of trees can you find in your garden/local area?

https://www.woodlandtrust.org.uk/trees-woods-and-wildlife/british-trees/how-to-identify-trees/ |

Identify British trees with our free app

Get an A-Z guide of trees by downloading our free tree ID app for Android and iOS.

Download the app

French:
Consolidate counting to ten in French. The clip features native speakers in order to ensure correct pronunciation.
