

Dear Class One,

I hope you have all had a lovely week filled with Star Wars, Superheroes and VE day celebrations. I also hope you have managed to enjoy some of the beautiful weather we have been having. After speaking to families, I have provided focus areas/activities for English and Maths whilst also providing a timetable of live lessons for children to engage with. The websites on previous plans and on the home learning links are all still available.

Doodle Maths and Doodle English should now be back up and working for pupils. Don't forget about our Superhero challenges.

Another thing many families mentioned was that their children seem to be asking for snacks very often (I'm trying to keep myself out of the biscuit tin). I saw a brilliant idea of providing each child with their own snack box in the morning (all children get the same amount and same snacks) It is then up to the children to choose from this box throughout the day (they should not have any extras).

	Reception (EYFS)	Year One (KS1)	Year Two (KS1)
Phonics / Spelling	Children in Reception have covered Phase 2 and Phase 3 within school and were beginning to look at Phase 4. Please practise the recognition of the Phase 2 and 3 graphemes first before looking at blending within phase 4.	Year One are working within Phase 5 phonics which looks at the alternative spellings of sounds learned in Phase 2 and 3. The children also need to be able to read and write the Year One Common Exception Words	Year Two need to focus on: <ul style="list-style-type: none"> changing words to make plurals Adding -ed, -er, -est and -ing to root words, Adding the suffixes -ment, -ful, -ly and -less. Writing contractions using an apostrophe. The children need to be able to read and write all of the words from Year One and Year Two Common Exception Word list.
Writing / Grammar / Punctuation	Practise writing letters in correct formation and sounding out words using sounds from phase 2 and phase 3.	https://www.bbc.co.uk/bitesize/tags/zjpqqp3/year-1-and-p2-lessons/1	https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons/1
Maths	https://whiterosemaths.com/homelearning/early-years/ This week's activities will focus on the book "The very busy spider" find videos and activities through the link above.	https://whiterosemaths.com/homelearning/year-1/ Here is the link to this week's home learning videos for Year One. The activity sheets and answers can be found in the Class One folder.	https://whiterosemaths.com/homelearning/year-2/ Here is the link to this week's home learning videos for Year Two. The activity sheets and answers can be found in the Class One folder.
Foundation Subjects	Children can watch the KS1 daily lessons and can attempt the activities if they want to. As we are a mixed class in school they would have access to this learning as part of our classroom.	https://www.bbc.co.uk/bitesize/tags/zjpqqp3/year-1-and-p2-lessons/1	https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons/1
