

Great Orton Primary School – Home Learning

A guide for pupils and parents that you can choose to follow.

We aim to support all pupils to access and enjoy home learning during the period of school closure.

Please remember that the health and well-being of our pupils and families is our top priority, so simply do what you can.

Stay safe, take care and look after each other!

Activities and web links are available at www.greatorton.cumbria.sch.uk (Classes > Home Learning)

Home Learning activities & resources will be added/updated each Monday.

Hello Everyone,

I've really enjoyed speaking to you and your families and finding out what you've been up to this week. As always, please find some suggested activities for you to have a go at this coming week. This week is Mental Health Awareness Week. This is very poignant in this current climate. This year's theme is kindness. I'm sure you can think of someone you know who has been very kind to you or someone you know. Why don't you make them a card/gift for them to show your appreciation?

Stay safe.

Best wishes,

Mrs. Thomson

Week Beginning: Monday 18th May 2020

SPELLING

Don't forget that you can access Nessy at home to support you in learning your spellings. Everyone who has an account was given login details before we finished school.

Please practise these spellings:

Focus: The ending sounding like /jsh/ is always spelt –sure.
measure, treasure, pleasure and enclosure

creature, furniture, picture, nature and adventure.

Can you put each word into a sentence?

The link above shows a list of words that children should be able to spell by the end of Year Four.

How many of them can you spell? Highlight the ones you don't know and learn one new word every day.

ENGLISH

Please find links to a week's worth (or more) of two different genres (types) of writing below. The first one is related to report writing. The second one links to myths and legends.

MATHS	<p>Use www.timestables.co.uk to practice your tables.</p> <p>Remember that all children in Year Four will be given an online test and are expected to know all tables to 12 x 12. Top Marks Maths (see main page for web address) also has tables activities.</p> <p>White Rose Maths are providing daily home learning videos and activities for each year group. From this week, all worksheets will be accessible through our school's website. The home learning videos are still on the link below. I know some of you have been using Doodle Maths which is great but I highly recommend this resource as your main one. White Rose Maths is the scheme we use in school and the videos explain the methods that we teach your children.</p> <p>https://whiterosemaths.com/homelearning/year-3/</p>
TOPIC/ SCIENCE	<p>Science: https://www.stem.org.uk/resources/community/collection/12535/year-3-plants</p> <p>Choose one of the home learning activities to have a go at. The theme is plants. Alternatively the BBC website updates its activities weekly.</p> <p>French: Activities are available at Duolingo: https://www.duolingo.com/</p> <p>ART/D.T. Design and make either a: card, poster or gift for someone who has shown you an act of kindness. Please take some photos and send them in so that we can share them on the school website. Maybe you could perform an act of kindness for someone else?</p> <p>Computing: https://lightbot.com/flash.html</p> <p>This was recommended to me by our lovely Mrs. Nolan. It's a great site for coding. I had a go with it over the weekend.</p> <p>History/Geography: https://www.bbc.co.uk/bitesize/articles/zh3qmf</p> <p>Use the BBC website to find out about The Bronze Age. Create a poster to show what you've learned. Use the link to Twinkl to develop your chronology skills.</p> <p>Health and Well-Being: During the Spring Term, our school signed up to the Phunky Foods programme. We now have access to all of their resources using the link</p>

below. There are ideas for simple recipes to try at home as well as guidance on how to follow a healthy lifestyle (including P.E. activities).
