

Great Orton Primary School – Home Learning

A guide for pupils and parents that you can choose to follow.

We aim to support all pupils to access and enjoy home learning during the period of school closure.

Please remember that the health and well-being of our pupils and families is our top priority, so simply do what you can.

Stay safe, take care and look after each other!

Activities and web links are available at www.greatorton.cumbria.sch.uk (Classes > Home Learning)

Home Learning activities & resources will be added/updated each Monday.

Hello Everyone,

I hope you're all feeling well. We've got a busy week coming up. We have more children in school this week so keep looking at the website to see the fun activities that they've been enjoying. Remember that it's the Virtual Big Sing this week. Details can be found on the school website and Facebook page. The songs and dance routines are on Charanga (the password is on our home learning page).

I have attended some virtual P.E. training this week. The link below gives you some ideas for activities you can do at home. You don't need special equipment and videos are included to help you. <https://www.afpe.org.uk/thisispe-supporting-parents-to-teach-pe-at-home/>

Doodle Maths and English is another fantastic resource which the children will be using in school this week. We are setting you a weekly target of 50 stars per app (Maths, English, Times tables and Spellings). Each activity should take about ten minutes so you can spread it out over the day. Get Doodling!

You can keep in touch with everyone using the: class emails, Tapestry and phone (01228 711602).

Stay safe and take care of yourselves.

Best wishes,

Mrs. Thomson
