English	In your back garden, look for signs of summer. What can you see? What can you hear? What can you smell? What can you feel? Try to write a list of things you can sense in Summer.	Read through the poem “Being in nature”. Think about all of the different things you can see in nature in Summer. Go out in your garden to explore. What can you see? What can you hear? What can you smell? What can you feel? Can you complete the sentences on the Year One Template?	Read through the poem “Being in nature”. Think about all of the different things you can see in nature in Summer. Go out in your garden to explore. What can you see? What can you hear? What can you smell? What can you feel? Can you write your own poem in this style about what you can sense about nature?
