Dear Parents and Guardians

As we look ahead with long term plans for the school I would like to know if any parents require nursery provision from September 2023.

Currently we are able to offer nursery provision if we have sufficient demand to make it sustainable. Our nursery hasn't operated since 2019 but we are still eligible to offer places and I would be keen to start provision again for children aged over 3 years old. (Children aged over 3 would be able to join in the next term following their birthday, this is also free to parents).

If you are interested, please return the form below to indicate your level of need. We will use this to guide our plans moving forward. If you know other parents considering Great Orton as a nursery or a school, please ask them to get in touch too!

Please tick the boxes that you would possibly need:

9-12 AM	1-3:30 PM	Full days including lunchtime	A mixture of mornings and afternoons.
