Dear Parents and Carers

The system that we use to manage our school meals is changing.

With effect from Wednesday **24th May 2023**, Lunchshop will be changing to **School Hub**.

From this date when you log into Lunchshop you will automatically be redirected to the new School Hub site. Your existing login details will remain the same, however you may be sent a link to reset your password.

Any credit balance that you have on Lunchshop and any meals already ordered will all be transferred over to School Hub automatically.

The only thing that I need to ask you to do in preparation for this, is to log into the Lunchshop site in the next few days and to make sure that the details that are held for your email address are correct.

I have enclosed a user guide for your information.

The transfer should be seamless, however if you have any queries, then please do not hesitate to get in touch with me.

Kind regards

S Wright
